

Call for Poster Abstracts for the 2025 ECHO Ontario Conference

- Poster Abstract opening date: **August 19, 2024**
- Poster Abstracts submission deadline: **October 31, 2024 at 11:59 p.m. EDT**

Poster Abstract Topics

Poster abstract topics may include anything related to ECHO Ontario and the Project ECHO Model. We invite authors to share information about activities/projects related to ECHO in a broad range of areas including research, education, health policy and clinical practice.

Poster Abstract Format

1. The online poster abstract submission process has a word limit set to a maximum of 300 words per abstract. This does not include references and author's names and affiliations.
2. Please use the following subtitles in your poster abstract:
 - **Title:** Create a title that concisely and accurately portrays the content of the poster abstract.
 - **Aim:** Clearly state the purpose of the work.
 - **Procedure/Method:** Describe the procedures/activities or methodology used to conduct the work. Please provide specific information about subject characteristics or the healthcare setting where relevant.
 - **Findings/Results:** Summarize key findings or important results that you wish to share with colleagues in a clear and concise manner. Where results warrant, provide reasonable conclusions that relate back to the study purpose/objectives.
 - **Implications/Applications:** Clearly state how the outcomes and potential applications are pertinent to this audience.

Poster Abstract Submission Guidelines

1. Poster abstracts must be submitted via the Survey Monkey link by **October 31, 2024 at 11:59 p.m. EDT**. Please ensure all fields of the online submission have been filled in completely and accurately.
2. All accepted abstracts will be published online as part of the conference proceedings.
3. If your poster abstract is accepted for the ECHO Ontario Conference, at least one author **must register for and attend the full in-person/on-site conference** (Courtyard by Marriott, 475 Yonge St, Toronto, ON M4Y 1X7 on January 31, 2025).
